Subject: 2024 Frayser Fall Festival Invitation

The **Frayser Community Association** will be hosting its annual Fall Festival on **October 5, 2024**, at the **Ed Rice Community Center** 2935 N Watkins. The theme for this event is “Falling for Frayser.” The festival will continue its tradition of family friendly activities such as health care screenings, family entertainment, food, games, local vendors, etc. The event will take place from 11:00 a.m. until 3:00 p.m.

This is your invitation to join us for this year’s celebration. Through this festival, we seek to educate, improve and empower Frayser residents while participating in fun family events. We hope to encourage all Frayser residents, businesses, and civic groups to join us for this annual festival.

In addition to the traditional festival type events and attractions, the committee will be focusing on safe and healthy living in the Frayser community. We have also asked that any business, school, or civic group who would like to participate or sponsor the event, join us as well. Limited space is available. A flyer outlining the details of the event and an application for informational booths and interested vendors is attached. We ask that Frayser businesses support this event by donating prizes to encourage community involvement and promote high attendance. We would especially like to showcase/promote any business or organization operating in the community.

Throughout the festival, we will have several drawings to give away donated prizes to residents in attendance. Please help support us by contributing toward this worthy cause.

We ask for your participation and support in the 2024 Frayser Fall Festival. You can support this event by displaying your business or organization and/or by becoming a sponsor through your financial or product donations.

We hope that this event will be a wonderful experience that the whole community will enjoy. Hope to see you there.
